ORDER

---

---

This case was filed as a 42 U.S.C. § 1983 action. Plaintiff is proceeding pro se. The matter is before the Court for review of the Report and Recommendation (Report) of the United States Magistrate Judge suggesting that Defendant's motion for summary judgment be granted and any state law claims dismissed without prejudice. The Report was made in accordance with 28 U.S.C. § 636 and Local Civil Rule 73.02 for the District of South Carolina.

The Magistrate Judge makes only a recommendation to this Court. The recommendation has no presumptive weight. The responsibility to make a final determination remains with the Court. *Mathews v. Weber*, 423 U.S. 261, 270 (1976). The Court is charged with making a de novo determination of those portions of the Report to which specific objection is made, and the Court may accept, reject, or modify, in whole or in part, the recommendation of the Magistrate Judge or recommit the matter with instructions. 28 U.S.C. § 636(b)(1).

The Magistrate Judge filed the Report on August 5, 2010, but Plaintiff failed to file any objections to the Report. In the absence of such objections, the Court is not required to give any explanation for adopting the recommendation. *Camby v. Davis*, 718 F.2d 198, 199 (4th Cir. 1983). Moreover, a failure to object waives appellate review. *Wright v. Collins*, 766 F.2d 841, 845-46 (4th Cir. 1985).

After a thorough review of the Report and the record in this case pursuant to the standard set forth above, the Court adopts the Report and incorporates it herein. Therefore, it is the judgment of the Court that Defendant's motion for summary judgment be **GRANTED** with respect to all federal claims and any state law claims be **DISMISSED** *without prejudice* under the Court's discretion set forth in 28 U.S.C. § 1367(c)(3).

**IT IS SO ORDERED.**

Signed this 13th day of September, 2010, in Spartanburg, South Carolina.

s/ Henry F. Floyd  
HENRY F. FLOYD  
UNITED STATES DISTRICT JUDGE
